Re: Intramural Program Schedule for 2007-2008

The following schedule is our attempt to provide each LT student with the current listing of Intramural offerings for the school year. Please take advantage of these opportunities. Intramurals is not a formal sport or activity, there are no practices and you may come and go as you wish. All activities are CO-ED, so come out and enjoy yourself and meet new friends. If you have any questions about any of the Intramural activities, please see Mr. Grundke, Mr. Stickels or Ms. Pyritz, or the sponsor listed below.
